

Virtual Team Activities

Virtual team activities and socially distanced meeting and events allow us to still deliver the same excitement and impact in whatever new working environment you are in.

We have more than 20 years experience in team building and conference organisation. This means a wealth of knowledge in the creation & delivery of inspiring interactive ideas using virtual or socially distanced team-building activities for large and small meetings.

With individuals, teams and whole departments working apart or under new conditions, it is more important than ever to feel connected.

Company MASTERPIECE

virtual event

Your team will recreate a piece of art composing of many hand-crafted smaller sections.

The teams job is to recreate their own section using whatever products or materials they have available!

Participants can be creative with almost anything: pasta, Lego, magazine cuttings, clothes, and even make up, anything goes!

We then edit them together & reveal the complete work in a dynamic video presentation.

The completed virtual work of art can even be framed and printed for the office or even sent to each contributor as fun event memento.

Go bespoke, instead of a well-known art work, why not recreate the company logo or vision?

HAKA

virtual event

Our Maori performers are second to none and deliver an excellent, interactive event, that guarantees to empower and unite teams with the traditional Ka mate Haka.

Whether delivered simply via zoom, in our purposed built studio or in your venue whilst adhering to safety & distancing guidelines - this activity works well for any group

Haka has some wonderful business messages of unity, working to the future with passion and purpose, and of overcoming hurdles with focus and teamwork.

Company MUSIC VIDEO *virtual event*

After a fun energiser over zoom, our facilitator sets the challenge! Create a music video – with your team mates all taking part.

The result is a dazzling music video comprising of all your teams' efforts they have recorded on phone or tablet. We edit all these together to complete one amazing music video.

Groups of between 10 up to 30 participants can all contribute at one time, to your chosen famous pop or rock song. We strongly advise extreme: dancing, props and definitely rock star costume.

There are many famous songs to choose from and you have 30-60 mins before sending your homemade videos back via a secure Drop Box to us.

Why not make it even more bespoke by your team rewriting the lyrics to suit the company? This could expand into creating a: band name, album cover, clothing, merchandise etc. Endless fun and creativity can expand this event to make totally relevant to your company

Perfect for playing at the next company conference or office Christmas party!

Company TikTok Energiser

With TikTok being the latest global craze – we thought what better way of bringing your group together in a signature company dance move!

Your team will be taken through a short, invigorating TikTok energiser by our pro Choreographer (BRITS, X-factor, One direction) followed by a session where you will learn your very own TikTok style routine.

Then you film the results, send it back to us and we create your own video sensation!

BOOGIE virtual event

Here's how it works: Instead of boring old numbers being called out in a normal game of bingo, we've replaced them with 15-20 seconds bursts of the most "toe-tappin" sing along songs from the past and present! Our energetic game show host will keep you all in order and act as DJ for the event.

The numbers on the bingo cards have also been replaced with artists and song name. So, with your bingo card in hand and your dabber on standby, listen out for the songs being played and mark them off as you would a normal game of bingo.

Virtual *Escape Room* virtual event

Teams will be led by our remote event manager into a locked virtual study laced with: codes, clues and challenges. Only by cunning exploring and answering the relevant questions will they all get out. Working together against the clock, they will interact with the virtual room tapping on their own smartphone via our bespoke Escape Room app and website.

A highly engaging experiential team event designed to put creative problem solving skills to the test. Your remote teams will have to unpick evidence, unravel cryptic messages and avoid the red herrings.

The aim of the game is simple, solve the clues to crack the code and break free. Teams that employ a thoughtful strategy and manage their time carefully will prevail.

Virtual **Mind Reading** *virtual event or socially distanced*

Our very own version of Derren Brown, has created a brand new show designed from the ground up for virtual audiences. Using multiple cameras, professional backdrops, video and music, this is a show which is entertaining, engaging and most importantly, interactive.

Reading and influencing minds, duplicating unseen drawings and making crazy predictions come true are some of the things you will witness when you take part in a virtual mindreading show. There are even some routines which you follow along with and get to experience the “magic” in your own home or office!

Our mind reading expert served for 15 years in the Metropolitan Police before leaving for a world of showbiz and he has never looked back! After studying NLP, psychology and body language, he is now regarded as one of the top mindreaders in the UK.

Company MOSAIC virtual event

After a quick energiser on Zoom, we set the challenge for everyone to:

Option one – What's in a word

Think of just one word that describes how it feels to be a Company team member.

In the time given, we need them to very quickly reproduce their individual word using anything they can find around them (pasta, magazine clippings, clothing, scrunched up paper etc) then send the image to us.

BE CREATIVE!! Take a photo of the result and our A/V team will collate all the images, and create a huge but incrementally building image.

Option two – Face of your Company

Take your best ever selfie!

Send it to us on our special platform.

Our A/V team collate all the images, and creates the huge but incrementally building image.

You and the whole team can see this build gradually throughout the day as you will be given a special link to a real time computer programme.

We will also send the completed image back to you to forward onto participants.

A large Company logo completely made up from all their ideas/faces.
What a powerful statement!

Virtual tea party experience

virtual event or socially distanced

Hosted by the world's leader in all things 'tea' – you are invited to 'take tea' in this wonderful team experience.

You will be sent a delicious Afternoon tea hamper and treated to a quintessentially British tea experience.

You will learn about different types of tea, how to make a proper cup of tea and the origins of the traditional afternoon tea – every intricacy included! Participants will be able to ask questions in this intimate, relaxed tea party.
Which goes first...the clotted cream or the jam?

Our tea tasting expert has worked as a writer and educator for over 35 years and is tirelessly committed to sharing her knowledge of tea, teaches tea masterclasses all over the world and has written 17 books on tea.

Gin Tasting experience

virtual event or socially distanced

Our gin experts have the passion and love of all things Gin...so much so; they started brewing their own Artisan Gins.

You will each be sent a Gin tasting pack, complete with paired mixers ahead of the experience which lasts approx. an hour. It is a relaxed, informative event with plenty of time to sip, discuss and chat.

“Had a gin testing session with the Gin experts at Creative Team Events and they were extremely knowledgeable - A really good session remotely and if you are into your gin they gave great tips. Let's not forget their gin either - tastes great!”

The Wonderful World of Whiskey

virtual event or socially distanced

This is a special experience. Even if you don't think you like whiskey – our man has been known to convert many!

Your team will be sent a tasting pack of 6 fabulous single malts each. We invite you to join us at this unique get together to enjoy learning about the history, distilling process and flavour variations.

Relaxed, interactive and very informative – this will transform a Friday end of work session, party or get together.

An IWSC whisky judge since 2009, a Keeper of the Quaich and a Liveryman at the Worshipful Company of Distillers, there is not much he doesn't know about Whiskey.

Fortnum & Mason recognised him in their 2020 food & drink book awards.
